

**Amendments to the Drawings:**

The attached sheet of drawings includes changes to Fig. 2. This sheet, which includes only Fig. 2, replaces the original sheet including only Fig. 2.

Attachment: Replacement Sheet

**Remarks**

In the Office Action mailed August 23, 2005, and subsequently in the Office Communication mailed February 14, 2006, the Examiner objected to the drawings under 37 CFR § 1.84(p)(5) because they include reference character 26 which is not mentioned in the description. By this Amendment, the Applicant has deleted reference character 26 from Figure 2. Consequently, Applicant believes this objection has been overcome.

Applicant has made a genuine effort to respond to the Examiner's objections and rejections in advancing the prosecution of this case. Applicant believes all formal and substantive requirements for patentability have been met and that this case is in condition for allowance, which action is respectfully requested. Please charge any additional fees or credit any overpayments as a result of the filing of this paper to our Deposit Account No. 02-3978.

The Examiner is requested to telephone the undersigned to discuss prompt resolution of any remaining issues necessary to place this case in condition for allowance.

Respectfully submitted,

**KHALIL NAJAFI, ET AL.**
